

What do you think about...

...what you learn at school?

- What things would you like to learn?
- What do you think you're going to need to learn before you go to secondary school?

Do you agree?

- I want to learn about bones, how to drive a car, what to do when I get hurt and how to help someone.
- I want to learn how to talk in front of a group of people.
- I think learning to add helps me when I go to the shops.

...how you learn at school?

- Think of a lesson in the last week where you learnt a lot. What helped you learn?
- If you could change one thing about your classroom to help you learn even better, what would it be?
- Do you learn best when you are working on your own or with friends? Why?

Do you agree...?

- Fun lessons help me understand more.
- Things that get in the way of my learning are loud children and teachers who don't try and stop them.

...showing what you can do?

- How do you know when you have done something well at school?
- Do you think tests are useful? How do they make you feel?
- What has been your proudest moment at school?

If there was one thing that you could change about your class/ school, what would it be?

What do you like best about your class/ school?

What next?

- Now you have lots of ideas about how to make your school better. What should you do next?
